**Declaration of Joyce Chambers Reichard  
for Appointment to Plaintiffs' Steering Committee**

I respectfully submit this declaration in support of my proposed appointment to the Plaintiffs' Steering Committee. This declaration is submitted with the consent and agreement of other interested counsel comprising the proposed co-leads, Plaintiffs' Executive Committee, and Plaintiffs' Steering Committee.

1. I am a Partner of the law firm of Kelley Ferraro LLC. A summary of only some of the firm's history is attached hereto.
2. I graduated from Notre Dame College of Ohio in 2001. I received my law degree in 2016 from Cleveland Marshall College of Law. I was admitted to the State Bar of Ohio on May 15, 2017. I am also admitted to practice in the United States District Court for the Northern District of Ohio (July 3, 2017); the United States District Court for the Southern District of Ohio (February 10, 2020); and have provisional admission to the United States District Courts for the Southern District of Florida, Northern District of Illinois, Western District of Pennsylvania, and District of New Jersey, as they relate to certain MDL actions as noted on the attached List of Cases.
3. I have been appointed to the Plaintiffs' Steering Committee in complex Multi-District Litigation ("MDL") cases including, *In Re: Philips Recalled CPAP, Bi-Level PAP, and Mechanical Ventilator Products Liability Litigation*, Western District of Pennsylvania MDL No. 21-01230, *In Re: East Palestine Train Derailment*, Northern District of Ohio, Eastern Division, MDL Number 4:23-cv-00242, and *In Re: Insulin Pricing Litigation*, District of New Jersey, MDL Number 2:23-mc-03080, among other accomplishments. My role within each of these MDLs is different, some of which require less time commitment than others.
4. I have been an attorney since 2017. In that short amount of time, I have obtained experience as a practicing litigation attorney in complex litigation matters such as the MDL actions listed above, single-event personal injury cases, products liability, and product defect actions, as well as federal, state, and private healthcare

subrogation matters (including appeals before the Department of Health and Human Services). As a litigation attorney, I personally have both second and third chair trial experience, with two cases resulting in multi-million-dollar jury trial verdicts against major U.S. corporations. I also have experience arguing before the Court of Appeals in the Ninth Judicial District, Summit County, Ohio.

Prior to becoming a licensed attorney, I bring twenty-two years of experience as a litigation paralegal in both the corporate and private sectors to the table. I have served my firm in the role of senior litigation paralegal and litigation manager from 2002 through May 2017 where I assisted in the management of one of the largest asbestos and mesothelioma litigation practices in the country (with over 45,000 clients). In 2021, I was honored with the appointment (upon nomination) by the then President of the American Bar Association to function as a voting member of the American Bar Association's Standing Committee on Paralegals, serving a four-year term. I am a former Adjunct Faculty member of the Legal Studies Program at Ursuline College in Pepper Pike, Ohio, where I taught courses in Civil Procedure, Evidence and Discovery, and Microcomputer Applications in the Law. Last, but certainly not least, I have the honor of receiving peer and industry recognition from Super Lawyers, Ohio *Rising Star*, each year from 2019 to present.

5. I represent that I have the time and experience necessary to devote to this matter. In addition, Kelley Ferraro LLC has consistently demonstrated its willingness to commit the attorneys and resources that are necessary for large scale complex aggregate litigation and class actions. This case will be no different.

Kelley Ferraro LLC has numerous other attorneys who will be available to assist in the prosecution of this case, if needed, including attorneys with experience in drafting, discovery and e-discovery, deposition practice, collaborating with expert witnesses, damage analyses, and trial practice. Kelley Ferraro LLC, as it has in past MDLs and other complex class actions, will devote whatever time and resources needed to litigate this matter effectively.

6. My diverse experience, years of experience in complex litigation, along with my dedication to the legal profession, all provide me with the tools and ability to work cooperatively with others on both sides of a case. Throughout my legal career, both as a paralegal and as an attorney, I have built successful relationships with other attorneys, staff members, and court personnel. I am honored to have an opportunity to work alongside the attorneys seeking a leadership appointment in this case.

7. I currently serve as co-counsel for the Plaintiffs in *McCloskey v. Indivior, Inc., et al.*, Case No. 2:24-cv-264 and *Golden v. Indivior, Inc., et al.*, Case No. 2:24-cv-265, both filed in the United States District Court for the Western District of Pennsylvania.

8. I have appeared before Senior Judge Joy Flowers Conti in the United States District Court for the Western District of Pennsylvania; Judge Brian R. Martinotti in the United States District Court for the District of New Jersey; Judges Thomas Teodosio, Donna J. Carr, and Jennifer L. Hensal in the Court of Appeals, Ninth Judicial District, Summit County, Ohio; Judge Harry A. Hanna in the Court of Common Pleas, Cuyahoga County, Ohio; and Judge Alison Breaux in the Court of Common Pleas, Summit County, Ohio, among others.

9. I respectfully seek this Court's appointment to the Plaintiffs' Steering Committee in this MDL. If selected, I will dedicate my time and resources, as well as those of my firm, to work cooperatively with all counsel and the Court to advance the fair and just resolution of the cases consolidated in this MDL.

10. A copy of my current *curriculum vitae* is attached.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on March 1, 2024.
